Description		Total
We are pleased to provide this quotation for the spiral duct an fittings for the collector system per the drawing provided. the following notes apply:  1. We have allowed 349 linear feet of spiral, and 36 welded fittings and couplings necessary for connecting pipe to pipe connections. All couplings will be 8" long per request. 2. All joints will be slip connection with gaskets installed by TNT Manufacturing. 3. There is approximately 4,600 pounds of duct in this order. 4. We are stopping our duct at the angle flange connection for attachment to the arms located at each table. Additionally, we are stopping our duct at an angle ring connection at the top of the dust collector. 5. We are providing a price for delivery based on an estimate from Pitt Ohio trucking for your consideration.  LOT PRICE  Freight estimate from Pitt Ohio - \$850.00		7,349.00T
		<b>Subtotal</b> \$7,349.00
		<b>Sales Tax (0.0%)</b> \$0.00
		<b>Total</b> \$7,349.00
