

**Precision Millwright
& Rigging Co.**
P.O. Box 658
Elm Mott, TX 76640

To: IAQ
Att: Mr. James Seaton
October 13, 2007

Gentlemen,

Precision Millwright & Rigging Co. proposes to furnish the necessary labor, materials, and equipment to install one ODR-1000 machines and related duct work on a Van Norman Grinder machine according to the drawings provided to us by James Seaton. This project is to take place at the Alcoa plant in Acuna Mexico. Any specialized equipment necessary to complete this project may incur extra charges. Electrical work is not included in this quote. This project will be completed for the total cost of \$1,100.00 plus any applicable taxes. If not accepted within thirty days from the date on this document this proposal may be withdrawn. Thank you for your consideration on this project.

John M. Adams, Jr.  Owner/President
