

K&B Duct Sound Attenuators (Silencers)

**K&B Duct's SILENCERS are in keeping with
K&B Duct's commitment to providing
ALL INDUSTRIAL DUCTING.**

As with all K&B DUCT products, these are High Quality, Heavy 16 Gauge components at an Extremely Cost Effective Price.

**And YES, they
EFFECTIVELY REDUCE SOUND by 10-15%
Depending upon noise frequency, fan design, and proximity to
buildings where the sound can resonate.**
